Corns Come Off Like Banana Peel

"Gets-It" Leaves Toe Smooth as Your Palm-Never Fails.

Ever peel off a banana akin? Well, that's the way "Gets-It" peels off any corn or callus. It's a plenic. Nothing else in the world will do it but "Gets-It," because of

"2 Drops of 'Gets-It,' Good bye Corns!"

the new secret principle in the "Gets-It" formula. "Gets-It" does away forever with "contraptions." "wrappy" plasters, ontments that rub off, blood-letting knives, and scissors that snip into the "quick." "Gets-It" asses pain. It takes but a second or two to use "Gets-It." There's no fussing of trouble. It dries immediately. You out your stocking right back on again. Your corn will come off painlessly in one complete piece. That's common-sense. It never fails. "Gets-It," the only sure, guaranteed, money-back corn-remover, costs but a trifle stany drug store. M'd by E. Lawrence & Co., Cheago, Ill.

Sold in Barre and recommended as the world's best corn remosty by Cumminas & Lewis and the Barre Drug Co.—Adv.

RHEUMATISM LEAVES YOU FOREVER

Deep-Seated Uric Acid Deposits Are Twenty-Four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer in this vi-cinity that if two bottles of Allenrhu, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do nway with even the slightest twinge of rheumatic pain, he will gladly return your money with-out company comment.

out comment.

Allenrhu has been tried and tested for years, and really murvelous results have been secomplished in the most severe cases where the suffering and agony was intense and piteous and where the patient was helpless.

Allenrhu relieves at once. Immediately after you start to take it the good work bestins. It searches out the uric acid deposits, discoves the secretions and drives rheumatic poison out of the body through the kidneys and bowels.

and bowels.

It's marvelous how unickly it acts. Blessed relief often comes in two days and even in cases where the suffering is most painful all traces disappear in a few days.

Mr. James H. Allen, the discoverer of Allenrhu, who for many years suffered the torments of soute rheumatism, desires all safferers to know that he does not want a cent of suyone's money unless Allenrhu decisively conquers this worst of all diseases, and he has instructed the Red Cross Pharmacy to guarantee it in every instance.—Adv.

Thin, Nervous People Need Bitro-Phosphate

Thomas Buckley, the oldest resident of Middlebury, is seriously ill at his home.

As Glenn Eaton, 13-year-old son of Mr. and Mrs. Hermon Eaton of Morrisville, was playing with his dog on Thursday, the animal ran into him in such a way as to break the boy's leg.

On the West mountain in Lincoln a few days ago, Philip Carpenter, aged 25, had his nose bitten off by a horse, hauling logs off the mountain and while fixing the headstail of the animal, it snapped at him, grabbing him by the nose and biting it off. He was taken to the Mary Fletcher hospital in Burlington.

Weak, thin people—men or women—are nearly always nervous wrecks; thus conclusively proving that thinness, weakness, deblity and neurasthenia are almost invariably due to nerve starvation. Feed your nerves and all these symptoms due to nerve starvation will disappear.

Eminent specialists state that one of the best things for the nerves is an organic phosphate knew nameng druggists as Bitro-Phosphate, a five-grain tablet of which is inexpensive, also wonderfully promotes the assimilation of food, so much so,

which is inexpensive, also wonderfully pro-motes the assimilation of food, so much so, motes the assimilation of food, so much so, Sherman Nichols, who lives with his daughter, Mrs. William Crandall of who do not desire to put on flesh, should use extra care in avoiding fat-pro foods.—Adv.
